Postal address (if different from above):			

CONSTRUCTION QUESTIONS

1. Full construction details

2. Is the cladding purely external?

3. When was the cladding installed?

4. How has the cladding been applied to the premises i.e. stuck onto the external building or via battens? Is there an air gap between the cladding and the building?

5. Has the cladding been applied purely for aesthetic reasons or has it also been applied for insulation?

6. Does the cladding have a infill and if so what is it? PIR/PUR?

7. What is the approximate % of the total external building area that is made up of cladding?

8. Please provide pictures of the premises both internally and externally including pictures of the cladding with the completed questionnaire.
